Brief Description of Argument to be Presented:

The Notice of Non-Compliant Amendment mailed June 9, 2009 is improper. The amendments in the Response filed March 20, 2009 did not change the invention beyond that which was previously considered. Claims 2, 4, 6, 7, and 9 recited a cam, as filed, and were therefore searched and elected originally.

An interview was conducted on the above-identified application on _____.
